RE: Policy for all Donations

Since 1949, the Caraluzzi Family has been a proud supporter of many local and national organizations in our area. With locations in Bethel, Danbury, Newtown and Wilton all requests are handled through our Bethel office.

Requests must be submitted in writing and can be mailed to the address below or faxed to 203-739-0059. In-store solicitations are not accepted. The requests should contain the contact **person's name**, **address** and **phone #**, and include a brief description of the organization, how contributions will be utilized and **where to mail contribution**. All requests for donations require a 2 week processing time (no exceptions). Please plan accordingly.

All requests will be given careful review and consideration. Our contact for donations is the following:

Due to the high volume of requests, we ask that you refrain from telephone inquiries regarding approval or status.
